DIARY
2022-2023

Name : _____

Department: _____ Roll No. _____

Note: THIS DIARY MUST BE BROUGHT TO COLLEGE DAILY

Whatever you are going through remember:
God brings us into deep waters, not to drown us, but to cleanse us.

Our Guiding Principle

The Constitution of India

PREAMBLE

WE, THE PEOPLE OF INDIA,
having solemnly resolved to

constitute India into a
**SOVEREIGN SOCIALIST SECULAR
DEMOCRATIC REPUBLIC**

and to secure to all its citizens:

JUSTICE, social, economic and political;
LIBERTY of thought, expression, belief,
faith and worship;

EQUALITY of status and of opportunity;
and to promote among them all;

FRATERNITY assuring the dignity of the
individual and the unity and integrity
of the Nation;

IN OUR CONSTITUENT ASSEMBLY

this twenty sixth day of
November, 1949, do

**HEREBY ADOPT, ENACT AND
GIVE TO OURSELVES THIS
CONSTITUTION.**

Let us Introspect

Success on the outside indeed begins with
success on the inside.

By changing one's thoughts one changes life.

The mind is a wonderful servant
but a terrible master.

The boundaries of our life are merely
creation of the self.

The less you focus on the end result,
the quicker it will come.

Find out what you truly love to do and then direct
all of your energy towards doing it.

Either, you control your mind or it controls you.

Never forget that there is power in silence and
stillness.

The quality of your thinking determines the
quality of your life.

Weak minds lead to weak actions.

ST. XAVIER'S COLLEGE

Maharo, Dumka

THE SOCIETY OF JESUS, a Christian Religious Order founded by St. Ignatius of Loyola in 1540, has been active in the field of education throughout the world since its origin.

JESUIT EDUCATION is inspired by a vision of a man drawn from the life and teaching of Jesus Christ. It is also based on the principles of character formation elaborated by St. Ignatius of Loyola and promulgated by St. Francis Xavier. This vision and these principles give the Jesuit institutions a specific character, and set before their staff and students high ideals of humanism and service towards which they are invited to strive continually. Such an education inspires the students with:

- ▶ A deep sense of religious and moral principles which help the students to be open to their fellow human beings and to God.
- ▶ A sense of social responsibility and commitment

- ▶ A desire for enlightened leadership committed to the service and development of the nation.
- ▶ An appreciation of Indian and world cultures
- ▶ A sense of creative responsibility, freedom and maturity.

ST. XAVIER'S COLLEGE, Maharo is established, run and administered by Dumka-Raiganj Province of the Society of Jesus. It is affiliated to Sidu Kanhu Murmu University, Dumka. It is a self-financed minority college.

ITS VISION AND COMMITMENT

ST. XAVIER'S COLLEGE aims at an integral and total development of the human person through liberal and scientific knowledge, character formation and personality development. It strives to form men and women of competence, conscience and compassionate commitment, who are intellectually competent, morally upright, socially committed, spiritually inspired and nationally dedicated 'men and women for others' in the service of the nation.

Hence, the college commits itself to:

- ▶ Achieve high standard of academic excellence by providing well planned courses and programmes, and maintain conducive academic atmosphere in the campus.
- ▶ Assist in the total formation of each individual through character formation, value education, leadership qualities and discipline.
- ▶ Promote social justice, harmony and brotherhood in society
- ▶ Uphold the dignity and equality of every human person irrespective of caste and creed
- ▶ Promote respect for every religion and culture
- ▶ Preserve ecology and environment for healthy living
- ▶ Offer personal accompaniment through individual care and concern for one's growth and development
- ▶ Empower the less privileged and vulnerable sections of society, the tribals, dalits, women etc.

METHODOLOGY

This institution uses the following methodology for imparting education:

- ▶ It uses Integral Pedagogical Paradigm as its methodology that is based on five principles:
- ▶ **Context:** life experiences of the students become the context of the lesson.
- ▶ **Experience:** cognitive and effective knowledge of the matter
- ▶ **Reflection:** Through reflection, the student grasps the significance of their lesson more fully which leads to a more formative and liberative process.
- ▶ **Action:** internal human growth and its external manifestation.
- ▶ **Evaluation:** to know the extent of benefit to the student.

It uses cooperative learning, rather than competitive learning as its methodology. Peer tutoring, group study etc. will help all sections of students to understand and personalise their lessons and help each other to grow.

Multiple intelligence: the institution will create an atmosphere where each student's various intelligences are taken into account and each student is helped to develop various intelligences to shine in life.
